SCOOT-A-QUE VENDOR NIGHT

SCOOTER-INSPIRED CRAFTS || 9.18.09 || 7-10PM @ WILD GOOSE CREATIVE

Scoot-A-Que is an annual motor-scooter rally put on by the Columbus Cutters Scooter Club. This is the 12th year of the event and we've decided to incorporate a handcrafted element to the Friday night registration meet and greet. We have room for 12-15 vendors. We're looking for scooter-themed or scooter-related handicrafts as well as mod and rocker-themed items.

Limited parking is available behind Wild Goose Creative. Registration for the Scoot-A-Que will be taking place at Capital City Scooters a few doors down, but we'll give them incentive to check out Wild Goose as we'll have a bar operating there that night. There will be folks from far and wide as well as locals who are always on the lookout for the next coolest mod crafts!

Set up: 5-7 PM || Show: 7-10 PM || Tear down: 10-11 PM
